Office of the District Magistrate,
Bangalore District.

No. 355
C.C.

Dated BANGALORE, 1st May 1923.

From

B. Venkoba Rao, Esq., B.A.,
District Magistrate, Bangalore District.

K. Matthan, Esq., B.A.,
Chief Secretary to the Government of His Highness
the Maharaja of Mysore.

Sir,

With reference to para 8 (1) of Government Order No.G. 1227-87/G.M.97-22-1 of the 19th January 1923 directing that all appointments -except privilege leave vacancies and other vacancies for periods not exceeding three months- should be made only from the lists issued from the Central Recruitment Board and in accordance with the general principles laid down in G.O.No.2093-172 dated 28th November 1921, I have the honour to state that it is understood that the direct recruitment should be to the vacancies occurring in each of the four classes of appointments as divided in para 2 of G.O.No.E.A.2083-172/E.A.14-21-7 dated 28th November 1921, as otherwise promotions to the existing officials will be completely barred, and efficiency in the higher grades will suffer by direct appointments of raw and inexperienced persons. Besides, the new recruits themselves will have no chances of promotion, if direct recruitment is allowed to the vacancies occurring in a grade higher than the one to which they are recruited. To give a concrete instance, if an appointment on Rs.30/- is made by direct recruitment, the persons appointed has no chance of rising higher, if the same process is adopted in filling up vacancies in higher classes. It appears to me that the vacancies of posts carrying a higher pay than that fixed for each of the four classes may be allowed to be filled up by promotion up to the minimum pay of the class and that the last place may be

The District Magistrate,

Bangalore.

Sir,

With reference to your letter No.355-C.C. dated 1st May 1923, pointing out what you consider to be defects in Para 8(1) of G.O.No. G.1227-87/G.M.97-22-1 dated 19th January 1923 read with para 2 of G.O.No.E.A.2093-172/E.A. 14-21-7 dated 28th November 1921 and requesting clear instructions in the matter, I am directed to observe that the exact nature of the defect pointed out by you is not quite clear but it is presumed that you understand that every appointment belonging to any of the 4 classes referred to in Para 2 of the Government order of 28th November 1921 referred to above has to be filled up by direct recruitment of candidates whose names are in the lists issued by the Central Recruitment Board, and that such direct appointment of ~~fresh recruits~~ new men would bar all chances of promotion of the existing officials besides having an adverse effect on the efficiency of the service. If the above presumption is correct, I am to invite your attention to Para 3 of the G.O. of 28th November 1921 referred to above from which it is clear that one out of every three vacancies belonging to classes 2, 3 and 4 may be filled up by promotion of men already in service, and that even ~~in cases when~~ where vacancies that are to be filled up by direct recruitment occur in posts on higher pay, the officials on lower pay in the same class may be

[illegible] instructions of your letter under
